Education

Greater Noida Institute of Technology

Bachelor of Technology (in CSE – AI)

Sept 2024 – Present
Greater Noida, Uttar Pradesh

Maharaja Agrasen Himalayan Garhwal University

Diploma in Computer Science

Jul 2021 – Jun 2024
Pauri Garhwal, Uttarakhand

Technical Skills

Programming Languages: Java, Python

Developer Tools: VS Code, Google Colab, Jupyter

Databases: MySQL, PostgreSQL

Cloud & Tools: Vercel, Neon, Cloudinary, Git, GitHub, VS Code, Postman, Google Cloud

Libraries: NumPy, Pandas, Matplotlib, Scikit

CS Fundamentals: Data Structures, OOP, Operating Systems, Software Engineering, DBMS, Computer Networks

Projects

QuickAI | [GitHub](#) | [Live Demo](#)

July 2026

- Developed a full-stack AI SaaS platform featuring article generation, blog title generation, resume review, AI image generation, background removal, and object removal.
- Built secure authentication and subscription-based access using Clerk, with free/premium usage management and protected API routes.
- Integrated Groq AI, Cloudinary, and PostgreSQL (Neon) to power AI workflows, cloud media storage, and persistent user data.
- Designed and deployed a responsive React application on Vercel with a personalized dashboard, community

DriveSphere- AI | [GitHub](#)

Nov 2025 – Feb 2026

- Autonomous Prediction, Scheduling & Maintenance System for Vehicles
- It uses n8n as the orchestration layer, with LangChain-based micro-agents managing prediction, scheduling, and decision-making tasks.
- The workflow is capable of analysing data, forecasting failures, and automatically planning maintenance activities.

Transcripto | [GitHub](#)

Sept 2025 – Nov 2025

- Developed Transcripto, a real-time speech-to-text system for accurate transcription
- Implemented text summarisation to convert long transcripts into concise insights
- Integrated sign language to text conversion for improved accessibility.
- Designed an end-to-end pipeline for speech/sign input → text → summarized output.

Achievements

- Reached the **Semi-Finale of EY Techathon 6.0**, showcasing strong problem-solving, teamwork, and technical expertise.
- **Co-authored a Published Indian Patent** titled "*System and Method for Nationwide Management of Personal Healthcare Records*".
- Achieved **Design Registration under Government of India** for a healthcare device focused on improving accessibility.
